Mr. David F. Thomas,
Proctorville, Ohio.

Dear Mr. Thomas:

Through the courtesy of the General Electric Company, Denver, Colorado, the owners and operators of KOA, the new broadcasting station, we are in receipt of your kind favor acknowledging reception of our dance programme, played by Joe Mann and his Rainbow Lane Orchestra. We are more than pleased that the reception was good and hope that the quality of the music impressed you as being ahead of the majority of dance music being broadcasted. We desire to make these programmes the best sent out anywhere in the country and if you have any suggestions to make as to how they may be improved, we should be pleased to hear from you further.

We are enclosing herewith a leaflet of our hotel, so that you may have a mental picture of our home and the place from which we do our broadcasting. We hope that at some time in the future you will decide to visit the Rockies, and when you come to Denver we should be pleased to have you as our guest, and will assure you of the best of accommodations both for rooms and cafe service at reasonable rates.

If you come to Denver we would be glad to have you call at Rainbow Lane on Saturday evening, and hear Joe Mann's Orchestra direct and see our methods of Broadcasting.

Yours very sincerely,

The Shirley Hotel Company,
